Paver Circle Kits

visit [this product's web page](#)

Paver Circle Shapes

Circle Kits provide gracefully curving elements and circles. These circles can be extended to wider diameters.

4' diameter = 15 sqft (kit size)

6' diameter = 28 sqft

8' diameter = 51 sqft

10' diameter = 79 sqft

12' diameter = 113 sqft

$$\text{Area} = 3.14 \times r^2$$

Each circle requires one 4' diameter kit. (covering 15 sqft) The remainder is built with standard pavers.

PHOENIX PAVER

Something more, Our Guarantee

Phoenix Paver Manufacturing LLC is pleased to offer the following guarantee.

We guarantee our products against manufacturing defects for as long as you own your home. Pavers must be installed according to (International Concrete Paver Institute) installation guidelines. Phoenix Paver Manufacturing LLC limits their responsibility only to material of their production.

Material will be replaced on an one-for-one basis for each item deemed defective by PPM LLC, and will be drawn from products meeting current design standards at the time of replacement. We can not guarantee exact match, but will make an effort to provide acceptable replacements.

This guarantee applies only to non-commercial projects and does not include extraction or replacement labor cost.

Home-owner's proof of purchase is required. Please contact us with any questions.
